CLASS Name Change New Name: Resource Center for Students with Disabilities

Approved: _____
Fred Maryanski, President Date

Approved: _____
Lesley Di Mare, Provost Date

POLICY STATEMENT

The Center for Learning Assistance and Support Services (CLASS) will henceforth be renamed the *Resource Center for Students with Disabilities*. As such, students with disabilities will be better able to identify and access the office charged with their reasonable accommodation in compliance with documentation as set forth in the Americans with Disabilities Act.

REASON FOR POLICY

It is difficult to identify an office if it does not directly reference its purpose or target clientele. The term "CLASS" rendered this office difficult to identify for students seeking its services. By changing the name to Resource Center for Students with Disabilities, such students will find it easier to identify access and use the office charged with providing them services.
