

NEVADA STATE
COLLEGE

Anatomy & Physiology and Microbiology

The following prerequisites for the School of Nursing's Regular and Accelerated tracks must have been taken within 7 years from the date of application to the School of Nursing:

BIOL 223 - Anatomy and Physiology I
BIOL 224 - Anatomy and Physiology II
BIOL 251 - Microbiology

If it has been greater than seven years since completion of these courses, you have the option of challenging the seven year policy.

Information regarding this process includes:

- The waiver of the 7 year policy for BIOL 223, BIOL 224, and BIOL 251 is granted by successfully completing standardized exams.
- Two separate exams are available – Anatomy & Physiology and Microbiology
- You must be a pre-nursing major and have met with the Pre-nursing Advisor, Malinda Greeley, to verify eligibility to take the Anatomy & Physiology and/or Microbiology exams.
- The exams must be proctored by and taken at the Nevada State College campus.
- Exam(s) must be scheduled at least one week prior to the actual testing date.
- The cost is \$30.00 per exam. Only cash, check, or money order (payable to Board of Regents) will be accepted.
- Testing dates cannot be confirmed until payment has been received.
- Complete Part I of the Petition for Exception to Policy form upon payment.
- You will have 120 minutes to complete each exam.
- The policy is waived for results at or greater than the 50th percentile.
- A letter will be mailed to you with the results and the status of your waiver request.

Please contact Susan Tomasevich at the School of Nursing at 702-992-2853 or susan.tomasevich@nsc.nevada.edu if you have any questions or need further information.
